

Application for Re-Admission

Admitted students who wish to return to graduate study after having been inactive for one or more consecutive semesters should submit an Application for Readmission in the Graduate School. Accompanying the Application for Readmission should be official transcripts showing additional graduate courses taken from other institutions of higher education while inactive at MSU and an updated Statement of Purpose describing their plans for completing the degree if readmitted. Readmission must be approved by both the program coordinator and head of the Graduate School. This application is a Campus Connection eform please visit Graduate Student Resources (https://www.minotstateu.edu/graduate/current_students/index.shtml/) page.
