University Teacher Education Policies

Refer to Teacher Education Policies (<http://catalog.minotstateu.edu/undergraduate/teachereducationpoliciesandprocedures/>) pages for details regarding Teacher Education at Minot State. These pages will explain the admission, retention, and exit requirements of the program for business majors in teacher education.

Business Education Program Mission

A Bachelor of Science in Education Business graduate reflects knowledge of the business education curriculum and is certified/licensed to teach business subjects in grades 5-12. The BSEd-Business graduate is a reflective decision-maker who applies skills of critical thinking, analysis, and creativity in developing, delivering, and assessing the business curriculum.

Goals adapted from North Dakota Program Approval Standards for Business Teacher Education and National Association for Business Teacher Education.

Department Teacher Education Requirements

In addition to University-wide teacher education policies, students enrolled in a degree program in business teacher education will complete the basic core and required courses. Students must be members of the MSU chapter of Phi Beta Lambda (PBL) and must retain membership in PBL through their student teaching experience. During course work, at least one course must be taken in the online environment.

North Dakota Department of Career and Technical Education certification requirements are listed on the North Dakota Career and Technical Education site (<https://www.cte.nd.gov/teacher-licensing/>).

The status of students admitted to Business Teacher Education is reviewed each semester.
